

## **Academy Activities Permission Slip 2012-2013**

Dear Parent:

During the course of the school year we are planning to take our students on several trips off of the MHHS campus to enhance their experiences with real-world learning. In order to do this, we need your permission so that your student may participate in these activities. Transportation will be provided for these activities by the school district. Students will NOT be allowed to drive their own vehicles. Students MUST return with the group to school.

We may also have printed publications, news articles as well as videos that will have work produced by our students as well as photographs/video of our students. We will preserve the privacy of your son/daughter's artwork/photo by listing only the student's first name if needed. We want our students to develop pride in our project, create self-esteem, and involve parents and community in our education and accomplishments.

For more information or if you have questions, please contact Brigitte Shipman, Academy Coordinator by telephone at 425-1215, or by e-mail at [bshipman@mtnhome.k12.ar.us](mailto:bshipman@mtnhome.k12.ar.us). We are looking forward to an exciting year with your student.
